## Texas coastal duck hunting guides

Directory of 57 Texas hunting lodges, guides and outfitters in Texas. 247 CR 470, Coleman, Texas 76834 Phone: (325) 280-3676 It's hard to beat the thrill of a fun action packed with the brisk morning of Texas duck hunting. Most of Fowler's passionate waters know that a good duck hunt depends on the alignment of several elements. Time is one of the biggest variables that can determine the success of hunting. Unfortunately, we can't control the weather. But the availability of food and water to attract and keep migrating and wintering ducks are two very important elements over which we have control. With water and food appeal, educated and guide experience, comfortable and hidden blinds, well-trained dogs that take over dogs every hunt can be a real mixed bag.
